

### Current PhD. Research within CELSE

*The following is list of research currently being undertaken by PhD students in CELSE. It is intended to provide others with an idea of some of the work of the department and also to stimulate discussion within the department on areas of mutual interest.*

Jane Andrews: Language testing; language support across the curriculum.

Naji El-Hemri: ESP and Discourse Analysis

Siân Etherington: Student attitudes to grammar teaching with the context of English for academic purposes.

Chai Moo Hung: Insights from writers in the Malaysian workplace and implications for instructional/course design.

Mona Kamal Ibrahim: Increasing listening and speaking skills in English as a foreign language in visually-impaired students.

Maha Kobeil: The influence of content domain knowledge on reading strategies and reading comprehension, looking at undergraduate non-native speaker readers.

Edgar Mendoza López: Re-education for the reading and writing processes.

Sinn Pahksuwan: An analysis of the new TEFL Policy Implementation in Thai Primary Schools. Using case study methodology.

Toru Tadaki: Cultural aspects of writing and their influence on L2 (English) writing.

Joseph Takor: The effectiveness of Process/Product approaches to the academic literacy of secondary school students in Anglophone Cameroon.

Vehbi Türel: Creating effective autonomous multimedia listening materials for intermediate language learners.

### Locations of Journals within Manchester University

This invaluable list of the whereabouts of journals which are of use to researchers in our field was compiled by Vehbi Türel. It is sure to save you a lot of time and anguish! Thank you Vehbi!
